

**Kulanu Presentation
in honor of
Jewish Disabilities Awareness Month**

Sunday, February 21st at 7:00

The Kulanu Committee presents an Academy Award nominated "short" documentary:

"The Collector of Bedford Street".

This inspiring story is about a man with disabilities who raises money for charities and befriends his neighbors with his friendly and outgoing personality. As a result, his network of friends surrounds him with support and establishes a trust to care for him to continue his independence and inclusion in the community.

Join us for this 40 minute movie and a discussion. Refreshments will be served.
