What is Encampment?

Encampment is an exciting week-long positive Jewish experience offered at the end of the summer. It provides Jewish teenagers entering 6-12th grades an opportunity for meeting new friends, stimulating discussions, exciting programs, fun games, sports and an environment for experiencing a meaningful Jewish lifestyle where Shabbat and Kashrut are observed. Encampment offers many activities from dances to camp fires. Any USYer or Kadimanik who participates in Encampment always comes home raving about it.

Our USY Encampment & Kamp Kadima will run from August 18-24, 2008. One highlight of the week is our day-long Maccabiah with sports, wacky relays and song, skit and banner competitions. Other highlights include a talent show, a luau and bar-b-que around the pool, ropes/challenge course activities, arts & crafts, a social action project, a dance, bonfires/making smores, song sessions and a beautiful Shabbat experience. Encampment attendees will also have the unique experience to spend the week interacting and making friends from across Seaboard Region.
