**P**lease join us for a major Greater  
Washington Area community-wide event  
to learn how pro-Palestinian forces have  
hijacked the UN to isolate, demonize and  
delegitimize Israel.

This event is organized to support the American  
Jewish International Relations Institute (AJIRI),  
an organization solely focused on support for the  
U.S. position on Israel in the UN.

Learn what we are doing and how you can help  
us defeat the anti-Israel mechanism that keeps  
Israel under siege at the UN and obstructs the  
peace process!
